1. On October 26, 2023, the Moving Defendants filed a Motion to Lift Stay of Pro-
ceedings (Doc. 68) (Motion).

2. Under LR 7-2(b), the plaintiff has until November 9, 2023, to file a response to
the Motion.

3. The plaintiff's counsel was out of town for a family matter. Thus, he asked the
Moving Defendants' counsel for an extension until November 13, 2023, for Onemata to file its
response to the Motion. The Moving Defendants' counsel agreed to the extension.

4. This is the first stipulation for an extension of time to file a response to the Motion.

5. Thus, the plaintiff and the Moving Defendants stipulate that Onemata has up to and including November 13, 2023, to file its response to the Motion.

Dated this 7th day of November 2023.
